

Deerfield Community School District

Excellence and Equity in Education

- The District is confident that these projects will adhere to the "Prevailing Wage" requirements of the Davis-Bacon Act. Every step will be taken with our construction manager and project staff to ensure all reporting requirements is met.

The District's project is "shovel ready" and will fulfill the intended goal of the American Recovery and Reinvestment Act "ARRA" Stimulus Bill by creating or maintaining jobs on and near the construction worksite. We also feel that our project meets the longer-term goal of "reinvesting" in our local community by improving the public infrastructure that serves our citizens in an energy-efficient and sustainable manner.

The District has received loan approval for the funds needed for the projects from the Wisconsin Board of Commissioners of Public Lands. Please see the enclosed documentation relating to the loan approval. If the District does not receive full funding for the projects from the Qualified School Construction Bond program the remaining dollars needed to complete the projects will be borrowed using the Wisconsin State Trust Fund loan authority.

The District is working closely with our financial advisor and bond counsel to coordinate the financing of the projects. We believe we have met the requirements for participation in the Qualified School Construction Bond program and your review of our request for an allocation is appreciated. Please feel free to contact me at 608-764-5431 or Doreen Treuden, Administrator of Business Services at the same number if additional clarification is needed.

Sincerely,

A handwritten signature in dark ink, reading "Michelle J. Jensen". The signature is written in a cursive, flowing style. It is positioned above the printed name and title of the signatory.

Michelle J. Jensen
District Administrator
