**Subject:** Request for QSCB

Dear Ms. Rew,

Thank you for confirming you received my letter interest and application on 6-15-09 for the Qualified School Construction Bonds. The total dollar amount the Oconto Unified School District is requesting is \$413,000.00. This is for the zero percent interest bonds through the Recovery monies. This includes the \$172,750 for the Oconto Middle School roof and the \$232,500 for the Oconto High School track as well as 2% for the bonding fees. We would be using Brian Brewer's services through Baird.

Mrs. Connie Brabant will be sending you the board documentation of minutes approving the Oconto Middle School roof and the Five Year Building and Grounds Plan on 6-17-09.

Thank you for considering our application for these Qualified School Construction Bonds.

Sincerely,  
Dr.Croney
